HOST FORM

CRAN Mission Statement: AIA CRAN (Custom Residential Architects Network) Greenville provides a collaborative forum for the exchange of ideas, best practices, and resources with other Professionally Licensed AIA Member practitioners and allied industry professionals. Our goal is to educate the public about the value an AIA Architect can bring to custom residential design. We are advocates for efficient, sustainable, high quality design.

[] SOCIAL EVENT / MEETING HOST

Who is this? Allies to the profession of Residential Architecture; Building Product Manufacturers; Continuing education resources and providers; Contractors; Product Installers

This is an opportunity to host a CRAN meeting or social event in your space or space of your choice. By hosting an event, you agree to provide space, food and beverages for the event as well as work with the board to plan the agenda. You will have the opportunity to present as well as show off your showroom/product to all in attendance. We will promote you on social media platforms as well as any content you wish us to share upon approval of the board. Please contact a board member for more information on how you can host
